Bootstrap Brainstorming for Project

There are so many beautiful places to visit, foods to try, and cultures to experience. One of the new jobs in our modern world is being a travel influencer. You will be making your very own travel blog!

Planning Your Blog:

1. Which type of travel blog will you be making? Circle one:
 - a. A personal travel diary, showing pictures of the places you've been OR
 - b. A list of places you want to go to with things you want to do there OR
 - c. A travel agency that is promoting travel destinations

2. What destinations will you feature? Name at least 2 - 4.

3. What different pages do you need? (These are the names of the pages on your Navbar)

4. Which page has the carousel? What will be featured on the carousel?

5. Which page has the cards? What will be featured on the cards?

Name: _____

Date: _____

6. What layouts will you use? Sketch the layout for each page and label each element, so that you have an idea of where the text and images go.

Home page:

(your second page):

Once you are done drafting your page, show your teacher your ideas. Once you get the approval, you can start creating your travel blog.
